THE EAST FUND

2026–2027 School Year | Quarterly Impact Report

The East Fund is off to a strong start for the 2026–2027 school year!
Thanks to our community, we have awarded five grants totaling $22,314 to support programs, enhance classroom instruction, and create meaningful opportunities for students.

INVESTING IN OUR SCHOOLS

This year's grants have supported a variety of programs and student learning opportunities, including:

Robotics Team Field
Purchase of a competition field for our robotics team.

Robotics Intradistrict Competition
Software and equipment to support a district-wide robotics competition simulation.

Digital Media & Design / Video Production
A digital camera and zoom lens to expand student learning and production capabilities.

Accounting, Banking & Finance
Thirty portable external monitors to support classroom instruction and student collaboration.

Shawnee Mission East Band
A 24-foot elevated band stand for student instruments and equipment.

THANK YOU TO OUR DONORS

These grants would not be possible without the generosity of our community partners and supporters. We are incredibly grateful to:

The Wildman Family
Nick and Kate Jones
Wendt Law Firm
Foster Wallace
Myers Brothers
Complete Technology
The Pfeiffer Family

Your support allows the East Fund to continue to support our school, invest in innovative opportunities, and make a lasting difference in the student experience.

Thank you for helping us INVEST • ENRICH • EMPOWER.
